arrangeMY – Regional winners of Chamber Business Awards for Family Business of the Year

September 2019

For immediate release

We are thrilled to announce that we have been named as a regional winner of the Family Business of the Year Award at this year's British Chamber Business Awards.

We now go forward to the national finals, on Thursday 28th November at the Tobacco Dock, London.

To be recognised as the regional winner is a huge achievement for us and we are so proud to be representing the West Midlands and the Hereford and Worcester Chamber of Commerce.

The British Chamber Business Awards aim to recognise and reward excellence in British business. The awards are one of the UK's most contested and prestigious business award programmes and we are honoured to be a part of them.

Francis Martin, President of the British Chambers of Commerce (BCC) said:

"The Chamber Business Awards are a great opportunity to celebrate the best of British business. Across the country, there are firms of all sizes and sectors thriving and showing their innovation and adaptability, even in the midst of turbulent times."

"Each year the calibre of applicants impresses our judges, and this pool of entrants was no different. All our finalists should be proud of their success in reaching this stage and we wish them the very best of luck."

Nick Scott, Managing Director at arrangeMY said of the win, "Being named as the regional winner of the Family Business Award is a truly fantastic achievement for the whole arrangeMY Family. "
